Approved For Release 2000/08/21 : CIA-RDP54-00177A000200040021-5

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Services Branch

DATE:

6 August 1948

FROM: Chief, Property Control Division

SUBJECT: Suggested Changes to Proposed Administrative Instruction No. 40-5

It is suggested the following corrections be made to the draft of the proposed Administrative Instruction No. 40-5 attached hereto:

a. Requisitions for expendable supplies to be furnished responsible individuals outside the Washington area should be forwarded to the Supply Division.

b. Requests for Maintenance and Repair Service and Space Allocation should be appreved by both the accountable and designated officers.

c. Delivery Ticket, form No. 36-10, which is to be signed in seven (7) copies, as indicated under the column "Signature

25X1A6a Receipt Form" applies only to supplies and equipment received at the Receiving Unit, However the requesting individual who ultimately receives such property signs 5 copies of Delivery Ticket, Form No. 36-10.
